Resident Doctor Forums

Resident Doctor Forums - Q&A with Dr Peter Arthur

***Please note that you should now find and sign up to our Resident Doctor Forums (RDFs) via our [TicketTailor](https://www.tickettailor.com/events/leademployermersyandwestlancshirereachinghospitals) page (<https://www.tickettailor.com/events/leademployermersyandwestlancshirereachinghospitals>). Forums are added to this page a couple of weeks prior to each RDF. Please also note that the instructon video above still applies, but features the forum's former title of JDF.**

The Resident Doctor Forums represent a safe opportunity for colleagues-in-training to address concerns related to work conditions, education and training, supporting the work of the Guardian of Safe Working in ensuring that colleagues working hours and conditions are effectively monitored and their contractual rights are upheld.

The forum enables views and concerns are represented to management, and to share knowledge and ideas about improving working lives.

How You Can Get Involved

The next Resident Doctors Forums will take place on the following dates over Microsoft Teams. Please note, these forums only apply to those colleagues who are in a placement with less than 10 colleagues-in-training, for example: Public Health, GPST and Palliative Medicine.

***Please note that the dates and times below are subject to change.**
