Home Electronics Scheme

Home Electronic Solutions is a salary sacrifice scheme delivered in partnership with Currys which provides access to thousands of different products for colleagues-in-training including:

- Laptops
- Tablets
- Domestic Appliances
- Televisions
- Desktop Computers

How it works?

Please [click here](https://www.homeelectronicsolutions.co.uk/) (<https://www.homeelectronicsolutions.co.uk/>) to register your account. Please note you will need the VPD code (096) for your organisation and your salary details.

You will have the option to choose the length of your salary sacrifice and you will then be provided with a quotation for the products you would like.

Once your quotation is accepted and approved, you will receive a collection card within 24 hours that can be used in any Currys store nationwide or online.

Your salary sacrifice agreement will begin the month after your order has been approved and will run for the term you have chosen.

***New and existing users** registering for an account to do so using only a work email domain (e.g. nhs.net, nhs.uk, gov.uk). This has been introduced to help verify the legitimacy of applications and provide additional reassurance to employers.

How Do I Know if I'm Eligible?

In order to participate in the scheme you must be:

- 12 or 24 month contracts
- The total value of the products must not exceed 10% of gross salary
- Suitable to enter into a salary sacrifice arrangement
- Earning more than the National Minimum/Living Wage following ALL salary sacrifices
